## AOB

- Judith reminded members of the new village facility of a shop operating from the pub car park – Thursdays – 10 – 1pm
- Members also suggested various outings that perhaps could take place during the summer month

Members then moved onto discuss the WI resolutions for 2017 – ‘Alleviating Loneliness’ and ‘Plastic Soup: keep microplastic fibres out of our oceans’. After sharing information and thoughts members voted against supporting the resolution ‘Alleviating Loneliness’ and for the resolution ‘Plastic Soup: microplastic fibres out of our oceans’. In both instances members agreed not to give discession to the Links delegate – who will be informed by email of this decision and has agreed to attend the Rodmell & Southease June meeting to update of the AM
